## Research Experience Record Form

- It is a subject hurdle requirement to participate in **three hours** of research experience during the semester. This means that although it does not carry any marks, you must meet this requirement to be eligible to pass the subject.
- You must complete a combination of Questionnaire and Non-Questionnaire activities, at least 1 hour of Q and 1 hour of NQ. The final hour can be made up of either type or both.
- Please submit the completed form in the First Year Posting Box on 12th floor, Redmond Barry building. For deadlines, please refer to the First Year Psychology Student Manual.

*For more information, please refer to the First Year Psychology Student Manual.*
