Statement by Candidate

I certify that this thesis conforms in all respects to the regulations of the University of Melbourne (R3.60) and that I have complied with the following requirements:

1. The thesis comprises only my original work, except where due acknowledgement has been made in the preface and the text to all other material used. (Note: work done in collaboration may be included but it must be clearly identified and acknowledged, in the text, and cannot contribute as original work for the purpose of examination of this thesis).
2. The thesis is less than 10,000 words in length, exclusive of tables, maps, bibliographies, appendices and footnotes.
3. The thesis reflects work done during the period of candidature but may include related preliminary material provided that it has not contributed to an award of a previous degree.
4. No part of this work has been used by me for the requirements of another degree except where explicitly stated in the body of the text and in the attached statement.
5. Research data and records collected, used and maintained in the conduct of my research will be retained and accessible for five years from the point of thesis submission unless publication, or public release of the work of research subsequently occurs, in which case the research data and records will then be retained for five years after publication, or public release, of the work of research.
