Combined 4th + 5th year

Registration as a provisional psychologist under the combined 4th and 5th year program pathway is dependent on the Board being satisfied that the applicant:

- meets the mandatory registration standards
- has completed an accredited four-year sequence of study in Psychology, and
- is currently enrolled in an accredited fifth year degree and evidence of enrolment is provided directly to Ahpra by the educational institution.

Following completion of the fifth year degree continuation of provisional registration will be dependent on:

- submission of evidence by the educational institution of successful completion of all components of the fifth year degree and eligibility to graduate, and
- submission of a proposed supervision plan that is consistent with the Guidelines for the 5+1 internship program, which has been agreed to by the provisional psychologist and the principal and secondary supervisors.
